

Authorized Campus Store

Hello UCSB campus departments! The UCSB Computer Store is your Apple Authorized Campus Store. We are located in the UCSB Bookstore on campus. To order Apple products for your department please click on the link below.

<http://www.apple.com/education/>

You will be taken to the Apple Education website where you can build a cart with the products and customizations you prefer. Once you have finished building your cart, you can send a scan or screen shot to our email address below.

computers@bookstore.ucsb.edu

We will then verify you are receiving your education discount and send you a quote which you will then submit through UCSB Procurement Gateway.

<https://gateway.procurement.ucsb.edu/>

This is done by selecting the University Center icon under Showcased Suppliers and clicking on Non-Catalog Item. You will be presented with a web form which you can then fill out with product information and pricing. Purchases of Apple products over \$20,000 may be eligible for additional discount, and so please contact us for further details.

Once we receive the purchase order through UCSB Procurement Gateway, we will process your order and charge the account. Our staff will notify you when your order is ready for pick-up, or you can schedule a delivery to your location on campus, free of charge.

Please note that while we stock the majority of Apple computers and accessories at our store, special orders that ship from Apple may take several weeks to arrive depending on availability and customizations.

If you have any questions, please feel free to contact us at (805) 893-3538 or send us an email at computers@bookstore.ucsb.edu. Thank you!
