GENERAL INFORMATION FOR PARENTS

The staff of the BARC office has identified the following list of information that may be helpful to parents of students attending University of California, Santa Barbara.

Family Educational Rights and Privacy Act (FERPA)

In the context of student billing, FERPA means that the information contained on your student's billing statement belongs solely to them. Even if you are paying the student billing statement, and even if your student is under 18 years of age, the BARC office can NOT give you any specific information about your student's UCSB records.

Waiver of Privacy Rights for Billing Information. Your student can waive their FERPA rights, and grant you access to Billing Information by completing the [Waiver of Privacy Rights for Billing Information](#). You may wish to complete the form, have your student sign it and submit it to the BARC Office. Our address, phone and FAX numbers are included on the form.
